Bon Secours Westchester Emergency Center is open to treat patients, families and caregivers with the best quality care in an environment created to reduce anxiety and enhance safety. With adjustable lighting and safety features, such as nonslip floors, bedside commodes and convenient handrails, we make sure your treatment is as safe and anxiety-free as possible. We provide soft, comfortable chairs and have blanket warmers and warming gowns on hand.

All of our hospitals are NICHE designated (Nurses Improving Care for Healthsystem Elders), which is a national nursing-led program designed to improve the care of hospitalized older adults.
