Bermuda Medical Center, a member of Capital Area Health Network, opened in June 2013 and is a federally supported health center. Medical services include adult and pediatric primary care, health education, medication assistance program, patient advocacy, and social services.

All insurances are accepted, including Medicaid and Medicare and provide for individuals who are uninsured or who have economic hardships. A sliding-fee-scale program is available to help minimize their cost.

The center is located in the townhouse and apartment community of Winchester Greens.
