English

NAMI Basics is offered to parents and other family caregivers of children and adolescents who have either been diagnosed with a behavioral health condition or who are experiencing symptoms but have not yet been diagnosed. Basics is a class available in English and Spanish. This is a free 6-week education program offered in a group setting. Find a [Program in Your Area](#).

Affiliates are throughout the State. [Visit Find Your Local NAMI](#) and click on the group for more details to see phone numbers, contact name and email address.
