63104 MO

United States

Fee Structure

No Fee

The Service Platoon Program brings together veterans and volunteers to tackle pressing community issues. Service Platoons offer veterans the chance to serve alongside a motivated team of like-minded individuals and pursue a meaningful mission. In addition to service operations, platoon members frequently mobilize for social and networking events.

Leadership positions are available with opportunities for additional training. Open to all (veteran and non-veteran). Membership is free.

Service Area(s)

Nationwide
